

2010 International Christian Evidence Conference

Science and Christianity

Presented by Apologetics Research Society
June 11-13

Concordia University
[1530 Concordia West Irvine CA 92612](#)

The Apologetics Research Society members are excited to announce the fourth annual Christian Evidences Conference. This event will again bring together scientists, scholars, teachers and Christians from around the world to share ideas and to hear inspiring messages. The classes and events are for anyone who is interested in using Christian evidences as a way to build up their own faith, the faith of those in their churches and to reach out to unbelievers. The conference will include classes by experts in different fields of apologetics, discussion groups, forums and an evangelistic event on Friday evening, a Public Forum and a Sunday worship service.

Presenters include: John Clayton, Douglas Jacoby, John Oakes, Denis Lamoureux, Robert Kurka, John Beggs, Foster Stanback, William Golightly.

Classes in Cosmology, Science and God, Arguments for the existence of God, A defense of Christian Theology, Human Evolution, Christianity and World View, Neuroscience and God, the Problem of Suffering. The classes will begin on Friday and Saturday morning at 9am. Registration will begin at 8am.
