Liberté!!!!!!

Oui,  
nous  
sommes  
libres !

IN CONGRESS, JULY 4, 1776.

The unanimous Declaration of the thirteen united States of America.

When in the Course of human events, it becomes necessary for one people to dissolve the political bonds which have connected them with another, and to assume among the powers of the earth, the separate and equal station to which the Laws of Nature and of Nature's God entitle them, a decent respect to the opinions of mankind requires that they should declare the causes which impel them to the separation. We hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty and the pursuit of Happiness. That to secure these rights, Governments are instituted among Men, deriving their just powers from the consent of the governed. That whenever any Form of Government becomes destructive of these ends, it is the Right of the People to alter or to abolish it, and to institute new Government, laying its foundation on such Principles and organizing its Powers in such Form, as to them shall seem most likely to effect their Safety and Happiness. Prudence, indeed, will dictate that Governments long established should not be changed for light and transient causes; and accordingly all experience hath shewn that Governments should not be changed for light and transient causes; and accordingly all experience hath shewn that Governments should not be changed for light and transient causes; and accordingly all experience hath shewn that Governments should not be changed for light and transient causes; and accordingly all experience hath shewn that Governments should not be changed for light and transient causes...

# GOLDEN RULE MEMBERSHIP

*What God Expects of Every Disciple*

Do those in a local fellowship need training to become good Christian church members? We believe the answer is an emphatic Yes. Aren't all in a Christian church members—including the leaders? We may not all be evangelists, elders, teachers or deacons, but all are members. In fact, training in Christian church membership is tantamount to training in the Christian life in general.

At times, what appears to be a problem of leadership in the church may, in fact, be largely due to a problem in the membership. If the members of the church treated the leaders of the church as they would want to be treated if they were the leaders, a lot of our church problems would be solved fairly quickly. Applying the Golden Rule turns out to be a useful concept for all our relationships within the church, not just the relationship between the members and the leaders. In this book, we will be exploring many aspects of applying the Golden Rule to Christian church membership.

Subjects covered include:

- You are free indeed
- A Christian Bill of Rights
- Leadership and membership
- Willingly offer yourself to God
- Willingly serve your ministry
- Willingly obey and help your leaders
- Willingly give to one another
- Willingly build up the church and much more
